CHILI & SALAD DINNER - 2017

Another successful community gathering !

**Thanks to the committee and all who helped
to make this a success.**

**Happy Birthday
to Tina Parry &

Last week

Minnesota Miss Amazing presented their program of helping women with disabilities to develop confidence and showcase their abilities. Thanks to: Ann Aubitz, Katlen Aubitz, Jordan Buckellew, Tina Parry, & Richard Stickney for being with us to show and tell their story. They will have their next event on April 1, 2017 at the Hopkins Center for the Arts.

Their program is open to any woman 5 yrs & up, with disabilities of any kind. We were treated to an art display by Tina, and a dance routine by Katlen. So nice to see the confidence each of

these women displayed. While this is a program for women, Richard sneaks in because he is their "right hand man". - and a special friend of Tina!
