Last Week . . .

David Kriesel-Koll led us through an update of how our Avenue of Flags program works and why it is so important. This program started in 2003 with 20 flags, and in 2016 we placed 136.

The local Boy Scout & Girl Scout Troops do the actual placement, for which they earn money for their activities.

Avenue of Flags has become our clubs biggest fund raiser, and a goal is to increase it to 200 flags in 2017.

A committee is needed to manage this program. Let David know you will help this effort by becoming an active member of the management committee today.
