News from last week

Some review of our budget was presented. Our biggest fund raising effort has become our Avenue of Flags program. We need to add to that program this year with a goal of at least 200 flag customers.

Our annual Chili and Salad Dinner held two weeks ago had about 200 dining customers, but we sold lots of takeout and SOLD OUT of our supply of chili.

Thanks to David Kriesel-Koll we also sold \$24. worth of dog leads!

Many members present gave their thanks to Dick Swanson for his cooking skills, and to all others who worked to make it a successful dinner.

New Projects

There are new club projects on the horizon. A committee is looking into ways we can make a difference in our community.

One of the first ideas is working with Richfield High School to teach students personal goal setting & visualization.

Stay tuned for further information on this and other new projects.

If you have good ideas, see Tom Eklo to pass them on.

Who do you know that would benefit from being a member of the Richfield Optimist Club?

Why don't you bring them to one of our next meetings so they can see for themselves?

Don't keep all this good stuff for your self. Share it with a friend!
