John Derus, President of the MN 100 Club, told us about the purpose and activities of this fund raising group.

Formed in 1972 for the mission to "Protect the Protectors" - that is, to provide economic assistance to families of police & firefighters who were killed or disabled in the line of duty. The fund has grown through individual and businesses that donate on an annual basis. Anyone can become a member for a \$100. Annual fee.

Hurrah for Flags ! We have added over 37 new flags since we began the door hanger program. Thanks for everyone's effort to this cause.

Thank You ! - To everyone who worked at the Cub food stand. Especially to our workhorse Mike Fogarty for extended duty.

We'll do it all again over the 4th of July weekend!
