Last Week's
Speaker
Nicole Hill from
The U.S.P.S.

She shared a
Surprising fact:

95% of all Fedex & UPS packages are
delivered everyday by USPS!

They also deliver for Amazon.com
seven days a week.

Great care is taken to know the
content of parcels as they have to be
safe to be sent on a passenger air
flight.

USPS is introducing more automation
to allow faster, more efficient delivery.

**Don't forget to make your
contribution to the Dime-a-Day OI
Foundation drive.**

**Semi-Annual dues for members are
due in April. See David Kriesel-Koll**

Also, buy your flag!

Colleen Nollenberger represented the Richfield High School Senior Class Party Committee to accept a check for \$200. to help with the after graduation all-night party.

Stephanie Mockabee went to the High School to view the setup of the student food shelf. The shelf is open on Monday & Wednesday from 2:40 PM to 3:00 PM.

A special collection by students at Halloween has helped to supply the shelves but more help is needed. **Stay tuned for how Optimists will get involved in the project.**

Good to see **Doug Waller** back from many weeks in Florida.

Also back from Yucatan was **Jim Collins**.

John Malknecht, along with 5 college friends and spouses, spent some time in Las Vegas - and also took in a Nascar race.

Deanna Wahlen stood in for the traveling leaders Pat Dale and Don Anderson. **Good Job!**
