Optimist Creed

Promise yourself -

To be so strong that nothing can disturb your peace of mind.
To talk health, Happiness & prosperity to every person you meet.
To make all your friends feel that there is something in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, work only for the best, and expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget about the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature a smile.
To give so much time to the improvement of yourself, you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
