This week: Business / Board Meeting

LAST WEEK: We were fortunate to see & hear a presentation on how artificial intelligence is being used by major corporations.

KYLE ODEFEY, addressed us from London, England to show us the work he is doing to blend his film making expertise with the AI application of his employer to create human looking and sounding media, created 100% by artificial intelligence. It was awe inspiring to see what this new advance in computing can do — especially at the hands of a very talented person like Kyle Odefey. **(Kyle is the grandson of our member Arnie Odefey)**

Next week - March 27, 2024 we will meet with the Bloomington Optimist Club at Mugshots Coffee House – France & Old Shakopee Road at 7:30 AM (Richfield Schools will be on spring break so our usual room is not available)

We are in the prepping stage of our Chili and salad dinner to be held on Friday, April 26, 2024. We are teaming up with the Bloomington Club to make this event great. Held at Woodlake Lutheran Church on 04/26 from 4 to 7 PM (76th & Penn Ave.)

***Come in person if you can. Or catch the meeting on Zoom.
