

Richfield Optimist Club _____ **Rich-O-Gram**
Serving Richfield area youth since 1958

Next meeting: **Wednesday, October 16, 2024**
7:30 AM at Richfield Schools Boardroom
401 West 70th Street Richfield, MN 55423

This week: JORDAN HARRIS - Medicare changes 2025

Our speaker last week was **Claire Dietz**, from Science from Scientists. The mission of this organization is to teach & inspire students to solve problems by STEM literacy. They find that the best age to interest youth in science is grades 3 thru 8. They currently work in 36 Minnesota schools & have a summer and “Out of school” program. Claire had us do an experiment using paper chromatography where colors of ink separated into individual colors. They teach at Partnership Academy in Richfield at this time.

We also had a visit from our DMM Governor Gary Lambert who encouraged us to boost membership to keep Optimists viable.

Thanks to Tony Koval for leading our presence at Trunk 'N Treat On Saturday, Oct 12 at Morris Nilsen (And Pat, Don & Deanna)
