This week: Business/Board Meeting

Our speaker last week was **Jordan Harris**, who returned to us after her initial visit several weeks ago to update us on changes to Medicare for 2025. The enrollment period has begun and goes until Dec. 7, 2024

Big changes for 2025 is the reduction of out of pocket maximum that will be \$2,000. Instead of \$9,000. Also, a big help for the budget for medicines, there will be NO donut hole in 2025. Previously the donut hole kicked in when your total drug costs reached \$5,300. From that point on, you paid more co-pay for your prescriptions! Jordan encouraged us to check to see that we can still see our same Doctors, and that our medicines are covered by the 2025 plans.

Our friends at the Bloomington Optimist Club invite us to help them with their **Halloween Party for kids on October 31, 2024 from 6PM to 8PM** At the Bloomington Event Center. Duties will be to help run games and to hand out treats. This brings out lots of kids and parents and running a game is much fun. Talk to Doug Waller if you would like to help.

Thanks to David Kriesel Koll for his unwavering support and leadership of our Avenue of Flags program. David is getting very involved in his new hometown of Fergus Fall, MN. With the SERTOMA CLUB.
