Member Bio Series

Our speaker last week was member **Dennis Dietzler**, who told us about his life. Born in Wisconsin, but moved to Richfield in 1958. He has 3 siblings, all brothers. He attended Richfield schools where he played sports. Went on to the U of M, majoring in Psych. Then to law school at the University of Denver. Moved back to Richfield in 1981. He began his law career as a general practitioner, but after a few years gravitated toward a business acquisition practice, which is now the majority of his work. His office is now in Edina, but his heart is still in Richfield. He is married and has two adult children. His philosophy is to “provide value to the client at a reasonable cost” **Dennis says, “Law school is not only where you learn law, but most importantly it teaches you how to think.”**

CLUB NEWS >>>> Tony Koval continues to recover. Report is that he is back in the hospital after being out a short time. He would appreciate a call as he rehabs for a while longer. **His cell phone is 612-407-6500**

The Optimist Creed

Promise yourself

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, work only for the best, and expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature a smile.

To give so much time to the improvement of yourself you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
