**To** make all your friends feel that there is something in them.

**To** look at the sunny side of everything and make your optimism come true.

**To** think only of the best, work only for the best, and expect only the best.

**To** be just as enthusiastic about the success of others as you are about your own.

**To** forget the mistakes of the past and press on to the greater achievements of the future.

**To** wear a cheerful countenance at all times and give every living creature a smile.

**To** give so much time to the improvement of yourself you have no time to criticize others.

**To** be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
